Address of Project (Print)

(With respect to *field review*, the applicable statement (A or B) and cross out the following statement as applicable.)

DESIGN AND FIELD REVIEW

- A. I hereby give assurance that I have fulfilled my obligations for *field review* as outlined in the Code and in the previously submitted Schedule S-B, Assurance of Professional Design and Commitment for Field Review, and

that those components of the project identified in the Schedule S-B substantially comply in all material requests with the applicable requirements of the Code and other enactments respecting safety, not including construction safety aspects, and the plans and supporting documents prepared by the undersigned, respecting:

Non-load bearing masonry veneer

(Insert here the area of responsibility, e.g. seismic restraint, fire resistance, acoustic properties, structural capacity, building energy performance)

FIELD REVIEW ONLY

- B. I hereby give assurance that I have fulfilled my obligations for *field review* as outlined in the Code and that those components of the project substantially comply in all material requests with the applicable requirements of the Code and other enactments respecting safety, not including construction safety aspects, and the plans and supporting documents, respecting:

Address of Project (Print)

This is to advise that the undersigned is the *Registered Professional* retained by Cronus Masonry to design engineering/architectural components for the captioned project in accordance with the Code.

The undersigned hereby gives assurance that the design and supporting documents prepared by this *Registered Professional* in support of the project for Non-load bearing masonry veneer

(Insert here the area of responsibility, e.g. seismic restraint, fire resistance, acoustic properties, structural capacity, building energy performance)

substantially comply with the Code and other applicable enactments respecting safety except for construction safety aspects.

These engineering/architectural components are addressed in the report/drawings prepared by me, or under my direct supervision, which bear my professional seal and signature.

(With respect to *field review*, initial or cross out the following statement as applicable.)

 The undersigned hereby undertakes to be responsible for *field review* of the above-referenced components during construction.
