Emergency Lighting Verification

Jagson Investments
c/o Chysik Project Management

November 1, 2022

Re: "The Atrium" 19945 Brydon Crescent, Langley, BC.

This letter is to verify that the Emergency Lighting installed by Rimu Electric Ltd on the above project has been tested and verified as per code requirements.

The Emergency Lighting has been installed to meet the protection requirements as per BCBC 2018 - 3.2.7.4

The system has been tested, verified and is fully operational.
